

Good afternoon, sir, how are you today?

Good day!

Good morning/afternoon/evening

Good to see you!

Great to see you!

Greetings!

Greetings and salutations!

Hey!

Hey! There she/he is

Hey, boo!

Hey, What's up?

Hi there!

Hiya

How are things?

How are you doing today?

How are you feeling today?

How are you?

How have you been?

How's everything?

How's it going?

Howdy!

Long time no see

Look what the cat dragged in!

Look who it is!

Nice to meet you!

 What have you been up to?
 What it is?
 What's going on?
 What's happening
 What's new?
 What's the good word?
 What's up?

Yo

Travelled anywhere fun lately?
 What is happening?
 How's living in your shoes?
 What's popping?
 What's shaking, bacon?
 How's life treating you?
 What's new?

What's cracking?
 How are you holding up?
 What's kickin', little chicken?
 What are you doing right now?
 Do you have a moment?

Hey there!

What's up, buttercup? Watching any good shows?
 Nice to see you
